Major General Hugh J. Knerr, USAF
The Inspector General, USAF
Headquarters United States Air Force
Washington 25, D. C.

Dear General Knerr:

This will confirm your telephone conversation this date with Brigadier General E. A. Wright, the Deputy Director. As requested in your letter of 21 February 1949, we will be glad to discuss the Central Intelligence Agency with your Training School Group.

Since I will be away from the city on 7-8 March, I have requested General Wright to cover the assignment. I understand it is mutually agreeable to change the date to 7 March 1949 from 1200 to 1250 hours.

Hoping our discussion will be profitable and interesting to your group, I am

Sincerely,

G. H. HILLENKOTTE
Rear Admiral, USN
Director of Central Intelligence
